If You Only Knew Kristan Higgins

A funny, frank and bittersweet look at sisters, marriage and moving on, from the *New York Times* bestselling author of the *Blue Heron* series

Letting go of her ex-husband is harder than wedding-dress designer Jenny Tate expected...especially since his new wife wants to be Jenny's new best friend. Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, who's utterly irresistible and annoyingly distant at the same time.

Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood.

Both Rachel and Jenny will have to come to terms with the past *and the present*, and find a way to help each other get what they want most of all.

From reader reviews:

Graciela Cook:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make them keep up with the era which is always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice in your case but the problems coming to you actually is you don't know what type you should start with. This If You Only Knew is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Daniel Grinder:

This If You Only Knew are generally reliable for you who want to be described as a successful person, why. The main reason of this If You Only Knew can be one of the great books you must have is usually giving you more than just simple reading through food but feed you actually with information that probably will shock your earlier knowledge. This book is definitely handy, you can bring it everywhere and whenever your conditions both in e-book and printed types. Beside that this If You Only Knew forcing you to have an enormous of experience like rich vocabulary, giving you trial of critical thinking that we realize it useful in your day activity. So , let's have it and revel in reading.

Dolores Albert:

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this If You Only Knew.

Carol Stripling:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book was rare? Why so many issue for the book? But any kind of people feel that they enjoy regarding reading. Some people likes examining, not only science book but novel and If You Only Knew or maybe others sources were given know-how for you. After you know how the truly great a book, you feel desire to read more and more. Science guide was created for teacher or students especially. Those textbooks are helping them to increase their knowledge. In some other case, beside science reserve, any other book likes If You Only Knew to make your spare time considerably more colorful. Many types of book like here.
