William Branham was an evangelist who rose to limited fame during the Post WWII Healing Movement. and continued to cling to that platform when other ministers began to jump ship. After their leaving, Branham began promoting himself as the "return of the prophet Elijah, and that his "Message" was the fulfillment of the bible verse Luke 17:30, "the day when the Son of Man is revealed." Though he died in 1965, his ministry continues to live on through publication of his recorded sermons and other materials sold at Voice of God Recordings. Seek The Truth, Inc is a nonprofit organization established for the purpose of helping the many people around the world whose lives are affected by the undue influence of mind control in William Branham's "Message" cult. Our goal is to provide research material for those wishing to examine the cult leader, his teachings, and his cult following from a critical standpoint.
