The Society Lilith Saintcrow

“The dark romance of this story is spell-binding,” —Fantasy Girl on *Dark Watcher*

“I highly recommend this series for any fans of William Gibson, Lost Girl or the Angel/Buffy-verse.”—Pajiba.com on *Saint City Sinners*

Will she be the Society’s salvation . . . or its downfall?

The black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he’s the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone—until he meets Rowan.

When Rowan Price stumbles across Delgado’s team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive—because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend.

The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there’s a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . .

Lilith Saintcrow lives in Vancouver, Washington, with her two children and assorted other strays. She has been writing since she was nine years old. Find her on the web at lilithsaintcrow.com.
