A stunning and lyrical Civil War thriller, *Walking to Gatlinburg* is a spellbinding story of survival, wilderness adventure, mystery, and love in the time of war.

Morgan Kinneson is both hunter and hunted. The sharp-shooting 17-year-old from Kingdom County, Vermont, is determined to track down his brother Pilgrim, a doctor who has gone missing from the Union Army. But first Morgan must elude a group of murderous escaped convicts in pursuit of a mysterious stone that has fallen into his possession.

It's 1864, and the country is in the grip of the bloodiest war in American history. Meanwhile, the Kinneson family has been quietly conducting passengers on the Underground Railroad from Vermont to the Canadian border. One snowy afternoon Morgan leaves an elderly fugitive named Jesse Moses in a mountainside cabin for a few hours so that he can track a moose to feed his family. In his absence, Jesse is murdered, and thus begins Morgan's unforgettable trek south through an apocalyptic landscape of war and mayhem.

Along the way, Morgan encounters a fantastical array of characters, including a weeping elephant, a pacifist gunsmith, a woman who lives in a tree, a blind cobbler, and a beautiful and intriguing slave girl named Slidell who is the key to unlocking the mystery of the secret stone. At the same time, he wrestles with the choices that will ultimately define him – how to reconcile the laws of nature with religious faith, how to temper justice with mercy. Magical and wonderfully strange, *Walking to Gatlinburg* is both a thriller of the highest order and a heartbreaking odyssey into the heart of American darkness.

*From the Hardcover edition.*
