**Boone's Bride: (A Courage and Cowboys Mail Order Bride Romance)** Christy Chapel, Rebecca Tilley  
Boone Worley went to bed that night exhausted from the usual duties of his ranch, stretching his tall, strong frame out in his bed. Life was going Boone's way almost perfectly lately: he had plenty of healthy cattle, loyal and hardworking ranch hands, and he was able to work day in and day out with his younger brother, Bryce, by his side. His cowboy dream had come true and he wanted nothing, not even a woman, to alter the state of things.

So when a terrified and enchantingly beautiful woman stumbles onto his ranch and begs him to bring her to safety, Boone does what is right and bravely defends her from a posse of brutes. Boone assumes he can help the poor woman and be done with the whole inconvenience in the same night, but try as he might, he can't deny that Ally Winters has already found a way into his heart. Will Boone's stubbornness and painful past demand that he stick to his simple life and avoid change? Or will Ally Winters spin his world upside down and show Boone what life and love are really about?

Please enjoy Boone's Bride, a sweet, clean, historical western romance.
