Blush sensuality level: This is a sensual romance (may have explicit love scenes, but not erotic in frequency or type).

This book is a sequel to *Ethereal Desire*.

On his first visit to Earth, in the body of a golden retriever, Caleb—then Gabriel—had been drawn to Susan's high energy and affectionate nature. Now, having risked his life to return and living in the body of a human male, he finds Susan enticing in an entirely different way.

Susan's extremely practical. She quit believing in Santa Claus at age five and considers fairies, the Loch Ness Monster and other mythical creatures stupid. Asking her to believe in aliens is a challenge.

But even as the most wonderful time of year—Christmas—unfolds before them, time is running out. After the holiday Susan is leaving on the cruise she's been dreaming of taking. And Caleb, well, if he can't get Susan to love him—all of him—he'll have to return to his own world for good.
