Read about a true-life mystery! The puzzle of the sasquatch has been ongoing since the first men settled the West and heard stories from the Native population about strange and elusive large, hairy creatures. These stories have endured to present day and eyewitnesses continues to come forward. Unfortunately no hard physical evidence has been produced. This book gives accounts of sightings that have occurred over the last twenty years throughout western Canada. Many of these encounters have never been written about before and all offer insight into this lasting mystery. This book is sure to interest and intrigue even the most sceptical.
