In the Upper Room: Organ Music for the Communion Service Michael Shea

In response to many requests, we proudly present this stunning collection of organ music that beautifully complements the meditative qualities of the communion service. The opening selection, "The Last Supper" by John Innes, sets the gentle mood for the entire volume. There are fourteen prayerful and reverent pieces included, six of which are familiar hymn settings, plus four masterful arrangements from the classic repertoire. All of the music is quite accessible, accurately timed and registered for all organs.
