**Marriage communication advice!** Talking is easy, but communicating a message to your spouse may be challenging at times. Therefore, I have provided solutions and tips in this book to show you the difference between men and women in general, find more fulfilment in your sexual life, and talk about your problems in a way that listening becomes easier. Learn, among others:

How to time it right when you talk to your partner.

How to find the time and commitment to make love and improve your connection this way.

The difference between connecting and simply communicating.

The importance of “first response” and knowing your spouse’s needs.

So don’t wait and start reading now! Your marriage is worth it!
