Naughty Cupid Deanna Wadsworth

"2nd Edition"

The name s Lio, and you may have read the beginning of my story in A Cupid s Wager. Well, hold on to your hats, because there s more to tell about your favorite cupid working in the Gay Division of the Inter-Dimensional Association of Cupids.

Remember Ethan? That Aztec god of the winds who busted me shooting a closeted human with a gay lust arrow? Yeah, I haven t been able to forget him either. Even though I have a rule against getting it on with other supernaturals especially ones working for the Straight Division my magic is drawn to Ethan and all his tattoos and piercings in a way I cannot control.

But after that night of mind-numbing sex, now I gotta face my evil ex-boyfriend and a suspension by the IDAC for misplacing arrows. They took my quiver, and I have to figure out how to get my arrow privileges back before they re taken forever.

Ethan seems to think he can help me, but I don t know how anybody can make this cupid believe in love again.

"First Edition published as A Cupid's Wager by Dreamspinner Press, 2014."
