Book 1: Puppies are essentially babies that are ready to take on the world. The only issue is that those puppies need to be trained and cared for well in order to properly have a home. In this ebook, you will be shown the secret tips and tricks for making the training of your puppy the easiest in all regards.

Your puppy will be the epitome of health, fitness, temperament, and crate utilization once you have finished all of your training. Are you worried about getting everything done or figuring out where to start? Well, luckily we are ready to get you up to speed and give insider tips on how to properly train your brand new puppy.

Book 2: Do you often find yourself struggling to put your dog under

control? Do you always find it difficult to establish a positive and long-lasting relationship with your dog?

It is normal for a puppy to become messy, since it is growing and developing rapidly. Young puppies tend to eat too much food often, burn up more energy and calories, and find themselves excreting regularly. Puppies have not developed a consistent bowel and bladder control, thus they find it difficult to hold such vital organs, but with proper training techniques, you can force your dog to adjust and even become professionals in handling their emotional and physical needs.
