## **The House of Forever: Selected Poems** Samantha Henderson

The House of Forever: Selected Poems by Samantha Henderson is a collection of 21 time-bending poems, nine never before published--poems which fold, collapse, and conflate time, so that now becomes then, and then becomes now. From "Cabazon," where the prehistoric past meets the lonely present, to "After the Crash," which invokes the Brontë sisters in deep space, each poem is a tapestry of life sewn with the unraveling threads of time.
