Making good decisions are among the most difficult challenges in life. In *Discernment: The Art of Choosing Well*, readers will find a comprehensive guide to making choices, either individually or in groups. It is based on the time-tested spiritual exercises of Saint Ignatius of Loyola, the sixteenth-century founder of the Jesuits who developed a systemic way of considering and making choices.

The author, a renowned teacher of Ignatian spirituality, leads readers on a journey of self-reflection, focusing on the process of discernment rather than on the particular problem at hand. As a result, the decision-making process outlined here can be applied to decisions in any area of life, whether personal, professional, or spiritual.
