Stolen (Nians on Earth) (Volume 2) Cassandra Logan

Sasha has just found out that she is not from Earth, that she can shift into a lioness, and, oh yeah, she's a princess. To say things are a bit complicated is an understatement, the last thing she needs is to find her mate. Dax loves women and they love him. After watching his best friend Zeke go through a mating, Dax doesn't ever want to find himself chained to one woman. That all changes when his cat lets him know that Sasha is theirs. Unable to resist their growing attraction they find themselves thrown into a political war that could end in death. Their deaths. Will they be able to survive? Or will Sasha's family kill them both? Disclaimer- This story has several graphic sex scenes and some mild language.
