"You're mine. You belong to me. You will always belong to me. Because no one has ever made you feel the way I have."

Jackson Hawke might be a monster, but he's Hannah's monster. They belong together and she's determined to show Jackson she can love every part of him - light and dark, cruel and gentle, lost soul and Dominant man.

Jackson knows he doesn't deserve her. He is broken and twisted and wrong inside, but when Hannah touches him it feels right, he feels right in a way he hasn't in so long.

Can a monster learn to become a man again? Or will dark forces from the past claim Hannah's life before she can claim his heart?
