Dilbert 2015 Slimline Calendar Scott Adams

If you work in anything that resembles an office, chances are you have coworkers who resemble Dilbert's.

Maybe your boss doesn't have pointy hair, but he (or she) probably more than once has used meaningless business speak to cover a lack of knowledge--and fooled exactly no one. A guy in the next cubicle probably shows up each day just for the free coffee, and another probably works like a crazy-woman hoping for a little recognition. *Dilbert* creator Scott Adams includes them all. Any resemblance to your actual coworkers is intentional (and hilarious).

Don't let the slim size of this narrow, spiral-bound version of the 12x12 wall calendar fool you. Each spread provides a month's worth of planning space and features a panel from a *Dilbert* cartoon and two supporting strips.
