Have you ever wanted to do your own makeup but felt overwhelmed and weren't sure where to start or how to make it look like it was done by a professional? Now you can! "How To Apply Makeup Like a Pro Series" brings you the best practices for makeup application, covering everything from a general overview of how to use makeup, to in-depth looks at face makeup, stunning lips, and enticing eyes. We have set out to teach you the best practice makeup tips that most girls simply don't learn on their own.

We will help you discover and master proven steps and strategies on how to accentuate the right features and enhance your beauty. This book will simplify all that a girl needs to know about face makeup.

Many people think that the most important areas to focus on in regards to makeup are the dominant features of the face such as the eyes, eyebrows and lips but that is not true. It is actually the skin, that is the most important. Some of the most beautiful makeovers are done with no eye makeup, no lipstick and very little done to the eyebrows. This can be very useful for those days when you don't have enough time to have a full glam session but still want to walk out of the house looking and feeling beautiful. The techniques shared in this book will help you to achieve radiant makeup in less time.

This book outlines the critical steps to take before applying foundation, how to choose your shade of foundation and apply it, how to find the right concealer, the power of foundation powders, and common makeup mistakes often made as well as how you can avoid them.

Face makeup as a topic has always been generalized to cater to those who already have some background knowledge of makeup. The beauty of this book is that it delves into the details of face makeup and how to achieve flawless looking skin by following some very simple steps. By the end of this book you will be a master of flawless looking skin and everyone that sees you won't be able to help but notice.

From makeup tools to contouring and highlighting, there is so much to learn here. It is fun and informative at the same time. We've incorporated detailed makeup steps as well as easy tips and tricks to note. This book will make it to your collection of favorites, before you even finish the book.

Here Is A Preview Of What You'll Learn...

- Prepping and Priming
- Foundation
- Concealer
- Powder
- Common Face Makeup Mistakes
- And Much Much More...
