Power Slave Alvin Slater

When one of Washington DC's most beautiful women, Georgetown law student Nicole Barnes, agrees to take the place of her friend as the sexual Girl Friday to rich, young and powerful political lobbyist Adam Bennett, the deal they cut turns out to cut both ways. When the powerbroker gets Nicole's pledge of loyalty and total sexual obedience, how they react to the sexual scenes surprises themselves. Adam Bennett promised to show the beautiful blonde the power city as she never dreamed it could be, but the more he sees of her naked blonde beauty as she does her erotic job, the more he sees of her effects on the powerful elite at fundraisers, with politicians and himself. The golden handcuffs lifestyle can't buy the lovely Nicole, and the hats are tipped to her as she shows herself to be the born performer. Powerbroker Adam Bennett thought his power slave Nicole Barnes would be a good servant, but before the votes are in the odds change as to who the master is and who is the slave.
